PRESS RELEASE

New Kings Hill Sports Park Play Areas

Kings Hill Parish Council are pleased to announce that two new play areas, one for older children and one for younger children, are to be constructed at Kings Hill Sports Park, 200 Beacon Avenue, Kings Hill ME19 4QP. A contractor has been appointed and work will begin this summer.

Residents were consulted with regard to the design and we are excited to reveal that the play areas will consist of the following:

- The older children's play area will house a pendulum swing with basket seat, an in-ground trampoline, zip wire and jungle climbing unit.
- The younger children's play area will house a four seat swing comprising of two flat seats, one cradle seat and one disabled seat, a turnstile roundabout and a Crazy Daisy four seat rocker.

Monies from Kings Hill S106 agreement (planning obligations by the developer) have been used to finance the project.

Completion will be later on this year when an official grand opening will take place.

Notes to Editors:

Kings Hill Parish Council was formed in 1999 and consists of 12 elected parish councillors serving the local community on a voluntary basis. Parish Council officers undertake the work of the Council representing the community and delivering community benefits throughout the village. We are consulted on planning applications in the parish and work closely with local community groups serving Kings Hill and the local area. The provision and management of allotments, looking after open spaces, maintaining bus shelters and community building, providing facilities for the community, such as the Kings Hill Community Centre and Kings Hill Sports Park, are just some of the responsibilities carried out by Kings Hill Parish Council.
