

# Kings Hill Parish Council Speedwatch

## Volunteers Required

### Schemes run with support from:

Community  
Volunteers

Kent  
Police

Speedwatch schemes help community volunteers reduce excessive speeds on local roads. There is no mandatory time commitment - just when you have availability.

Operating at the roadside in 20mph, 30mph and 40mph areas, volunteers monitor speeds using a speed indication device (SID).

### The scheme aims to:

- increase drivers' perception of the risks from speeding and encourage them to slow down.
- reduce collisions and the severity of injuries on local roads.
- improve the quality of life for local communities.
