PROPOSAL: Outline Application: Redevelopment to provide up to 210 Class C3 residential units,  
together with landscaping, open space and other associated works. All matters reserved  
for future approval except for access (site 5.2-5.3)

LOCATION: Development Site North And East Of Jubilee Way Kings Hill West Malling Kent

**Town and Country Planning Act 1990  
Town and Country Planning (Development Management Procedure) (England) Order 2015**

TAKE NOTICE that the TONBRIDGE AND MALLING BOROUGH COUNCIL, the District Planning Authority under the Town and Country Planning Acts has **HAS REFUSED TO PERMIT** the proposal specified above without complying with conditions subject to which planning permission ( ) was granted and that the reasons for such refusal are:

1. The development of the site for residential purposes and associated infrastructure, would result in a loss of designed employment land, for which there is no justification particularly in light of the identified need for such land across the Borough. The proposed development fails to safeguard the site for employment purposes and is therefore contrary to policy CP21 of the Tonbridge and Malling Borough Core Strategy 2007 and policy E1 of the Development Land Allocations DPD 2008 and paragraphs 80, 120 and 121 of the National Planning Policy Framework (2019).

2. The introduction of new residential development in this location would be completely at odds with the prevailing and established built environment both in terms of prevalent land uses and visual appearance. The development would, therefore, appear as an entirely incongruous feature within the immediate locality which would be harmful to the amenities of the locality and demonstrably would not respect the site and its surroundings, protect, conserve or enhance local distinctiveness, be sympathetic to local character and history, or take any opportunities for improving the character and quality of the area and the way it functions. The development proposed is therefore contrary to the requirements of policy CP24 of the Tonbridge and Malling Borough Core Strategy (2007), policy SQ1 of the Tonbridge and Malling Borough Managing Development and the Environment DPD (2010) and paragraphs 127(c), 130, 180 and 182 of the National Planning Policy Framework (2019).

In reaching this decision, the Local Planning Authority has had appropriate regard to the provisions of paragraph 38 of the National Planning Policy Framework 2019.

**IMPORTANT: Your attention is drawn to Notes A1 to A10 attached**

## **TOWN AND COUNTRY PLANNING ACT 1990**

### **Appeals to the Secretary of State**

- A1 If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- A2 If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- A3 If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- A4 If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application then you must do so within:
- 28 days of the date of service of the enforcement notice or six months in the case of a householder appeal of the date of this notice, whichever period expires earlier.
- A5 In the event of an appeal being lodged one copy of the completed appeal form should be forwarded to the Chief Solicitor of the Tonbridge and Malling Borough Council, Gibson Building, Gibson Drive, Kings Hill, West Malling, Kent, ME19 4LZ.
- A6 The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- A7 The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.
- A8 In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

### **Purchase Notices**

- A9 If either the local planning authority or the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- A10 In these circumstances, the owner may serve a purchase notice on the Borough Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

### **General Notes**

- A11 Your attention is drawn to the provisions of Section 76 of the Town and Country Planning Act 1990 relating to the need to provide adequate access and other facilities for the disabled.
- A12 Section 53 of the County of Kent Act 1981 applies to an application for the erection/extension of a building.

This requires that adequate access for the fire brigade is provided for buildings. In view of these provisions, **YOU ARE ADVISED TO CONSULT THE KENT FIRE BRIGADE** at an early stage.
