Project:	KHCC Passive Fire Stopper Survey - February 2021
Date:	19/02/2021
Committee:	Amenities

Specification:	Passive Fire Stopper survey based on the Fire Risk Assessment Action Plan (2020).
----------------	---

Evaluation Summary			
Company Name	Contractor No.	Score	Cost
Aleron - Our report will contain photos of all issues identified on site with recommendations for the works required and a quote to carry out the works which will also include UKAS accredited certification for the fire stopping works completed for your records. 50% survey cost refunded if leads to a successful quote for works required.	1	3.10	£1,500 +VAT
Fire Solutions and Maintenance - Survey includes : photographic survey and detailed quote based on survey. 50% survey cost refunded if leads to a successful quote for works required.	2	3.40	£650 +VAT
National Fire - We will attend site and carry out a full survey to quantify all failures in your compartment walls/floors that do not comply with the regulations. We will send you a detailed report with a description, explanation and corrective action required as well as photographs showing the nature of your breaches so that you are able to use the information to obtain quotes from other accredited and certified installers that have not carried out a site survey. We will include our offer to carry out any corrective works that may be required. All works carried out by National Fire come with full certifications as per BMTTrada as well as a site wide certificate of conformity.	3	3.15	£3,000 +VAT

Recommendation
