Dear Members/ Parish Councils

The draft Housing Strategy 2022 – 2027 is now out for public consultation. The Housing Strategy needs the engagement and support of our local communities and organisations and so I'd really appreciate if you can take the time to complete the questionnaire. Feedback and ideas gathered through the consultation will help shape the final Strategy.

The Housing Strategy and Enabling Manager, will be sending email 'invitations' to respond to the consultation alternatively, you can complete the consultation questionnaire via our planning consultation portal below:

If you've not used the portal before you'll need to register, this will take a few minutes.

The consultation is open to everyone and should take around 15-20 minutes to complete. A copy of the draft Housing Strategy is available from the consultation home page.

The consultation will close on Wednesday 13 April 2022.
