Notes to Editors:

Kings Hill Parish Council was formed in 1999 and consists of 12 elected parish councillors serving the local community on a voluntary basis. Parish Council officers undertake the work of the Council representing the community and delivering community benefits throughout the village. We are consulted on planning applications in the parish and work closely with local community groups serving Kings Hill and the local area. The provision and management of allotments, looking after open spaces, maintaining bus shelters and community building, providing facilities for the community, such as the Kings Hill Community Centre and Kings Hill Sports Park, are just some of the responsibilities carried out by Kings Hill Parish Council.
