

21/05/2020

Hi Georgina,

As I hope the Parish Council appreciates all works and investigation into works were put on hold end of March and our capital plan is now much changed. Our architect firm put majority of their team on furlough and now have a backlog of works which in turns is delaying looking into works. They hope to attend early next month and in turn we can then have works costed and the business will decide if there is capital for works.

Hi Georgina,

As promised I write to provide an update on the position of access into Waitrose from Fortune Way; apologies for the time this has taken, our agreement at Kings Hill has a complex lease structure and this matter is rather historic which took some time to understand.

Following some internal discussions Waitrose are working to provide an alternative access point, we are considering 2 options for this which will be costed over the next few months once drawings have been finalised, we hope for this to be no later than April. I would be more than happy to meet with members of the Parish Council on site to discuss these options in more detail once we have had the time to consider them and the costs in full.

I hope you find this an acceptable position and thank you in advance for your continued patience on the matter.
